THE GATEWAY
TO BASQUE CREATIVITY
AND CULTURE

Europeans share a rich cultural heritage from centuries of trade and migration. Linguistic and cultural diversity is one of Europe's main assets, each of us contributing with our uniqueness.

BASQUE. is a window into a land (the land of the Basque language, Euskara), a history, a way of seeing the world. It is the expression of a culture proud of its heritage, a people that have learned to embrace difference to create a new vision for tomorrow.

BASQUE. opens a new door to Basque culture and contemporary creation through music, dance, theatre, cinema, literature, art ... and the Basque language. It is a place open to creativity, to sharing ideas, building bridges, sparking new conversation, and fostering dialogue between cultures.

Europarrok kultura-ondare oparoa partekatzen dugu, mendeetan zehar izan ditugun trukeen eta migrazio-fluxuen ondorioa dena. Hala, bertako hizkuntzen eta kulturen aniztasuna, berezi egiten gaituen horri esker guztiok joritua, Europak duen balio handienetako bat da.

BASQUE. lurralde baten isla da (euskararen lurraldearena), historia baten isla, mundua ulertzeko modu batena, gurea. Bere sustraiez harro dagoen kultura baten adierazpidea da, ikuspegi berri bat eskaintzeko tradizioa eta abangoardia uztartzen jakin duen kultura batena.

BASQUE. euskal kultura eta sorkuntza garaikideari begiratzeko leihoa da. Musikaren, dantzaren, antzerkiaren, zinemaren, literaturaren, artearen eta beste adierazpide batzuen bidez euskal kultura eta euskara ezagutzera emateko leihoa. Eta, era berean, sormenari zabalik dagoen leku bat da, partekatzeko, zubiak eraikitzeko eta solaserako, kulturen artean elkar aditzen lagunduko diguten elkarrizketa berriei bide emateko.

BASQUE WORLD MUSIC WOMEX 2025

This catalogue of musicians is a true reflection of the world music scene in the Basque Country today. These groups and soloists make up a rich, varied and constantly evolving universe of traditional, singer-songwriter, folk and fusion music.

Some have enjoyed long careers and recognition both at home and abroad, while others are new. But they all form part of a thriving and diverse ecosystem which we hope you'll enjoy.

We are a country with a rich musical culture, which is why we've spent years reaching wider international audiences. Basque. Music. is the name we use to present ourselves to the world, serving as a framework for cooperation between the music industry and public institutions.

Musikarien katalogo honek herri musikaren, folkaren, kantagintzaren edo fusioaren alorrean gaur egun Euskal Herrian dagoen sormena islatzen du. Talde eta bakarlari hauek etengabe eraldatzen ari den unibertso aberats eta askotarikoa osatzen dute.

Batzuk ospetsuak dira gurean zein gure mugetatik kanpo, eta ibilbide luzea egina dute. Besteak, bide horretan lehen pausoak ematen ari dira. Edonola ere, guztiak ekosistema bizi eta anitz baten parte dira. Horrenbestez, denak ezagutu eta goatzeko gonbitea luzatzen dizuegu.

Musika aberastasun handia duen herria gara. Horregatik, urte asko daramatzagu gure musika nazioartean zabaltzeko lanean. Zeregin hori Basque. Music. lizenpean egiten dugu, Euskal Herriko musika sektorearen eta erakunde publikoen arteko elkarlan estrategikoaren bitartez.

ALDAPEKO basque latin jazz

Folk / Latin / Jazz

If the Basque Country were in Latin America, Aldapeko's music would seem commonplace, but since this is not the case, Aldapeko's music will leave us in awe. Music coming from folklore as we have never heard it before, traditional instruments played and accompanied as they have never been before and all this with joyful and danceable rhythms, played with feeling and energy.

Aldapeko was created in 2019 by the pianist Imanol Iribarren and today has three albums published.

European Jazz

Pausa is a plea for inner calm and silence. Inspired by the European jazz of Bobo Stenson and Mats Eilertsen, Rodeiro blends traditional music and modern jazz "as if it were a conversation between the past and the present," with "moments that seem to give a musical wink to Ornette Coleman" (All About Jazz). A collaborator of Gordon Lee, Ilja Reijngoud, and Deborah Carter, this Basque drummer leads a quintet without harmonic instruments, creating open, silent spaces and deep interplay.

Ibonrg

Experimental Folk

Ibon RG (Sestao, 1978) is actively involved in the local and experimental music scene in Bizkaia as a concert promoter, producer, arranger and, most importantly, musician. He bases his work on the use and exploration of the voice.

By using an accurate language of his own that at times borders on abstraction, in many of his solo and collaborative works Ibon recites a collection of poems and vocal sounds that is both restrained and solemn and, above all, moving.
